

**Mid-Maine Sustainability Coalition
Local Foods Committee Meeting
Tuesday, June 09, 2009
5:30PM**

Community Gardens Grand Opening

The grand opening of the community gardens will be held on July 12 from 2-4PM, at the gardens, rain or shine. Erin and Susan are organizing the event. The gardeners are expected to be present and be available to answer questions. Some gardeners will provide workshops for community members at the event. Lemonade and iced tea will be provided. A live musician will be at the event. A small canopy must be purchased for this, and will also be used to provide shade at the gardens.

Yahoo Group

Members of the community garden should join the Yahoo group: Waterville Community Gardens. This group will serve as a blog for sharing information and keeping gardeners connected.

Community Garden Sign

An official sign has been ordered, and is being finalized. It will be at the gardens before the grand opening.

Plot Holders Payment

If you are a plot holder and have not paid, please make a check out to:

Waterville Community Gardens
City of Waterville
Parks and Rec.
Wentworth Ct.
Waterville, ME 04901

Future meeting date

The next meeting date is scheduled for Tuesday July 7 at 5:30PM at the gardens, weather permitting.
